

VACCINE AMNESTY

July 2010

This voucher entitles the bearer to a full primary vaccination course for the cost of a booster for one pet. Dogs and cats must be more than 18 months of age and not have been vaccinated for at least 18 months. A booster vaccination is paid for in full at the time of first vaccination and a second dose is administered 21 days later free of charge (not applicable beyond 6 weeks post first injection).

Rabbits must be older than 9 months and not have been vaccinated for 9 months. For Rabbits a first Myxie vaccine is paid for in full and a second dose is administered 6 months later free of charge (not applicable beyond 9 months post first injection).
