Planning for your pet's health

At Fitzalan House Veterinary Group we believe that a proactive, preventive approach to your pet's healthcare is far better than waiting until your pet is vulnerable, ill or suffering to put things right. We want to make responsible pet ownership simple and affordable, which is why we have designed these Pet Health Plans.

Pet Health Plans are not pet insurance: Pet Health Plans include the regular things – like vaccinations, flea, worm and parasite treatments, health checks and advice in your monthly payment plan – that pet insurance generally doesn't cover. However young or old your pet, a Pet Health Plan is designed to adapt to your pet's needs, from puppy or kitten, to adulthood and throughout its senior years.

A Pet Health Plan makes it easy for you to protect your pet and your family against preventable diseases and discomfort by making sure your pet's vaccinations, flea and worm treatments can be kept up to date. Plus, regular check-ups and early diagnosis of any potential health issues will help your pet enjoy a long, comfortable life, whilst saving you money and worry too.

We have teamed up with Denplan Pet Health Plans, who will collect your Direct Debits on our behalf and take care of the administration of the plans. This frees us to concentrate on looking after your pets.

Please call the Fitzalan House Veterinary Group team on 01903 713806, or call in for more information about Pet Health Plans.

Alternatively call the Pet Health Plans team on 0800 169 9958, Monday to Thursday 8.30am – 6pm, Friday 8.30am – 5pm.
