

# **FITZALAN HOUSE DENTAL OFFER**

**February 2010**

**This voucher entitles the bearer to a 30% discount off the normal procedure price of a dental for one pet, excluding antibiotics and painkillers**

**Estimates of costs will be provided on request**

**CATS: As a guide please note that a basic descale under general anaesthetic normally costs approximately £150, but more significant dental work such as extractions can cost up to £200 extra. These charges are before the 30% discount is applied**

**DOGS: As a guide please note that a basic descale under general anaesthetic for a 30kg dog normally costs approximately £225, but more significant dental work such as extractions can cost up to £300 extra. These charges are before the 30% discount is applied**
